

Put Your **FinOps** on Top!

Avoid these **FinFLOPS**...

Are you part of the **\$675 billion** public cloud spending wave in 2024?

Source: Gartner

That's an **Enormous Investment!**

Yet, a significant portion of this spending evaporates without delivering real value.

94%

Overspending in the Multi Cloud

The primary culprits? **Overprovisioned** resources and **insufficient** cloud management skills.

Source: Forrester

FinFlop #1

>30%

Goes to Waste Annually

That's over **\$200 billion**. To put it in perspective, that's equivalent to Microsoft's total revenue in 2023.

Source: Forbes

FinFlop #3

In 54%

Cloud Waste Stems from a Lack of Visibility

And the **complexity** of hyperscaler pricing models.

Source: Anodot
